Chancery Causes: Alice Edwards vs. Harvey Edwards  
by K

Bledsoe, Burchett, Smith

CA - Divorce  
T - Vices

To the Hon. H. A. W. Skeen, Judge of the Circuit Court  
for Lee County, Virginia.

Humbly complaining, your oratrix, Alice Edwards, a resident of said County, *and an infant who sues by Isaac Bessie her father and next friend*, would respectfully represent and show unto your honor, that on the 14th day of May, 1906, she ran off to Tennessee and was there married to Harvey Edwards, she being at the time 16 years of age, and he 18 years of age; that they lived together as husband and wife about three months, during which time, or the greater portion thereof, he was ill tempered, quarrelsome, abusive towards your oratrix, threatening at different time to whip and beat her, and on one occasion did strike her with a broom stick, and on different occasions threatened to kill her, and at one time drew a shot gun on her and threatened to shoot her with it, putting your oratrix in fear of her life or great bodily harm at his hands. Finally, and about three months after their marriage, he abandoned your oratrix and has failed and refused ever since to live with her as her husband. The said Harvey Edwards is temporarily living in the State of Tennessee.

Your oratrix will further represent and show unto your honor, that the said defendant since their said marriage and within less than five years before this date, has been guilty of adultery with different women on various occasions in the neighborhood in which he ~~lived, he~~ and your oratrix lived, near Jonesville, Virginia. All of which acts of *crim. & abandonment* adultery have been without cause upon her part and without her consent or connivance, and she has not lived or cohabited with her said husband since she became convinced of his acts of adultery.

The object of this ~~suit~~ bill is to obtain a divorce from the bonds of matrimony existing between your oratrix and her said husband. *and restoring her to her maiden name,* To this end she makes the said Harvey Edwards the party defendant hereto and asks that he be required to answer the same, *by a guardian ad litem to be appointed for him* but not under oath that being waived; that on a hearing the relief above sought be granted, together with all *such* other further and general relief as may be suited to the case. And your oratrix will ever pray &c.

to his prejudice.

And having answered, the respondent pray to be hence dismissed with his
